

BECOME A CERTIFIED PROJECT LEARNING TREE EDUCATOR!

Spring into Nature Educator Workshop

Early Childhood and pre K-8

When: Saturday, April 8th, 2017; 9:00 – 4:00

Where: Flathead Lutheran Bible Camp, Lakeside, MT

Project Learning Tree (PLT) is an award-winning environmental education program that uses the forest as a 'window on the world' to understand our complex environment, to stimulate critical thinking and to make informed decisions.

Benefits Include:

- The new PLT Early Childhood Guide with music c.d. plus the preK-8 PLT Guide with 96+ ready-made Environmental Education lessons
- Includes background info & lessons
- Reduces teaching prep time
- 6 OPI or PIR credits available

\$10 fee Includes Lunch: A grant from Flathead Conservation District, Montana Women in Timber, and the USFS provides PLT activity guides, lunch, & materials. *If you have already received a PLT guide from a previous workshop, please bring it with you as only one complimentary guide is given per person.

Contact Info: Holly McKenzie at 892-4141 or Cindy Peterson, MSU Extension Forestry, 32 Campus Drive M.S 0606, Missoula, MT 59812-0606, office: 406-243-4706, cindy.peterson@cfc.umt.edu
