

FLATHEAD BASIN SEPTIC MAINTENANCE REIMBURSEMENT PROGRAM APPLICATION

Maintaining your septic system can be costly!

But this simple action can have big benefits for water quality. Homeowners in the Flathead Basin that have septic systems near surface water may be eligible for reimbursement of 50% of the costs for pumping septic systems (up to \$200 / septic system). The purpose of this reimbursement program is to address and prevent pollution of surface waters in the Flathead Basin from septic systems by encouraging and assisting residents to maintain their systems.
